

Blue Bell[®]
FUN RUN 2021

RUNNER'S *Scoop*

APRIL 10, 2021
BRENHAM, TX
5K, 10K, HALF MARATHON

We know it's been a tough time for pretty much everyone the last 12+ months and we definitely missed having folks in Brenham for our favorite run last year. Thank you to the virtual participants who kept it fun and light in 2020. We loved your pictures on social media!

As we ease into vaccinations, more in-person gatherings and such, there are still guidelines the Blue Bell Fun Run asks of our participants to be sure everyone is safe while having a good time. There will be multiple opportunities for it to get crowded and we want to do our best to keep everyone healthy.

Self-screening, social distancing, face coverings, and hand washing are all part of the risk mitigation protocols being followed during the Blue Bell Fun Run. Those who use the shuttle are asked to wear face coverings. A full description of all COVID-19 guidelines can be found [here](#).

ARE STROLLERS ALLOWED ON THE COURSE?

The Blue Bell Fun Run is kid friendly.

Strollers are allowed on the course. We ask that you be considerate of other participants when maneuvering your stroller through the course.

WHAT ABOUT DOGS?

The Blue Bell Fun Run is dog friendly.

Dogs must be kept on a leash at all times. And remember that your canine friend needs plenty of water. That's why we have a pet station for dogs at the end of the race. Look for it behind the Blue Bell truck.
